

## WINTER REFUGE INFORMATION

The refuge is open and unguarded from 5 October 2020 to 18 June 2021 and has 10 beds.

Running water is not available inside, but you can find it nearby. Available are wood for heating and cooking, drinks and food while stocks last.

Wool blankets are available on site, sleeping bag and pillowcase are to bring and obligatory.

Attention, waste must be taken away.

**Reservation is not possible, access is open to everyone.**

The winter entrance is marked on the west side of the refuge. The snow shovel is hanging on the south side of the main hut.

Payment can be made in cash in the provided box or using the bank coupons available on site.

In the hut you will find rules and instructions regarding the behaviour to be followed because of the COVID-19.

**Buon soggiorno!**
